SACE has guaranteed a 250 million euro loan in favour of Braskem SA with the aim of consolidating the commercial relationship with Braskem and facilitating the assignment of new orders to Italian exporters in terms of raw materials, equipment, machinery and services in the Petrochemical sector. Braskem is a leader industrial group in the American continent and among the major 10 players worldwide in the production of oil-derived thermoplastic materials such as polyethylene (PE) and polypropylene (PP). The company holds 41 production facilities: 29 in Brazil, 6 in the USA, 4 in Mexico, and 2 in Europe.

SACE is pleased to invite you to meet Braskem's Senior Managers from the Finance and Procurement departments to engage and explore new business opportunities.
